LB 60  
LR 251, 252, 256

SENATOR CARSTEN: A question of Senator Scofield if I might, Mr. President. Senator Scofield, do you have the time frame on when the monster is going to appear so that we can be sure and be there on time?

SENATOR SCOFIELD: The monster has had the good taste to at least suggest that it will be somewhere between August 9th and 11th. If I get further update, I will try to let you know.

SENATOR CARSTEN: You are just trying to promote tourism, I can see that now. Thank you.

SPEAKER NICHOL: Any further discussion? Senator Scofield, is the invitation still holding that you are inviting Senator Beyer to come and take the first balloon ride just in case the balloon fails?

SENATOR SCOFIELD: Absolutely. Absolutely.

SENATOR BEYER: I get to respond to that. Next year is...well, we had our centennial in Sarpy County but we have Gretna's coming up next year. I would also invite Senator Scofield to participate in our greased pig contest at the Sarpy County Fair. I always do a pretty good job of greasing that pig and have for about ten years and it is a contest where we let women under 20 and women over 20 enter and we do not check teeth for ages so she is eligible in either class that she wants to try for. Thank you.

SPEAKER NICHOL: The question is the adoption of the Scofield amendment. All those in favor vote aye, opposed nay. I should say resolution. Would you do it again. The machine malfunctioned. Sorry about that. Record, Mr. Clerk, please.

CLERK: 29 ayes, 0 nays, Mr. President, on adoption of 256.

SPEAKER NICHOL: The resolution is adopted. Do you have anything further to put in?

CLERK: Yes, sir, I do. Mr. President, I have a letter from the Speaker referring LR 252 to the Reference Committee for public hearing; Senator Warner and Vickers would like to print amendments to LB 60; and Senator Sieck would ask unanimous consent to add his name to LR 251. (See pages
